

Ramapo Games Club Clash Royale Tournament Ruleset

A) GAMEPLAY RULES

- **Triple Draft Friendly Battles**
- Tournament Standard (lvl 11 towers/troops)
 - All troops will be set to lvl 11, even if the player has them lower or higher

B) TOURNAMENT RULES

- Matches may be best of 1/3/5 depending on participation and time frame
- Matches in later rounds (Finals, Semifinals, etc.) typically will be best of 3/5
- **Single Elimination**
- Participants should attempt to join the Ramapo Games Club Clash Royale clan
- One participant will send a friendly battle request in the clan chat, then their bracketed opponent will accept the friendly battle
- If one or more players are not part of the clan, participants must friend their bracketed opponent to play
- Each match will be assigned to a station
- players will move to their assigned station and sit facing their opponent, then confirm the friendly battle
